

SummerFest Amateur Talent Show

April 7, 2010

The weather is beautiful again; Spring is here, so this must be your annual request letter! It's true. I invite your company to be a sponsor of the SummerFest Talent Show. This is one of those 'no brainer' events when it comes to sponsorships! It's a family favorite and a guarantee to fill up the tent for both the auditions and the competition.

The sponsorship will offer different levels this year, up to \$100.00. Your company will be recognized on a banner that hangs in the park all weekend, in the SummerFest program, and also during the show.

You will receive an invoice from the Chamber. Please let us know as soon as possible, so we will not miss printing your company name in the program.

If you have any questions, please call the Chamber of Commerce ... 419-300-4611.

Sincerely,

*Vickie A. Shurelds
Talent Show Chairman*
